

POULTRY AND EGGS

Canada's agriculture sector faces unique labour market challenges in the coming years, and so will the poultry and egg industry.

The poultry and egg industry includes farm operations that primarily engage in breeding, hatching, and raising poultry for meat or egg production. Animals grown include chickens, turkeys, ducks, geese, pheasants, partridges, and pigeons.

13%

Involuntary employee turnover rates almost double national average

In 2014, **250 unfilled positions** cost the industry

\$6 MILLION

POTENTIAL LABOUR SHORTAGES CONCENTRATED IN ONTARIO.

770 UNFILLED JOBS

forecast for Ontario in 2025.

Workforce concentrated in **Ontario** and **Quebec**

36%

of Canada's poultry and egg workers
